King Study Room Features

This spacious room features a king-sized bed with Cloud Nine bedding and linens, comfortable easy chair with ottoman, 32" flat screen color television with HBO and premium cable channels, easy to operate alarm clock/radio and large work desk. If you want more entertainment, rent a flick with our Interactive pay-per-view movies and or play a game with Nintendo by Lodgenet. The high-speed internet access will help you stay connected while on the road. If you prefer not to work at the desk, you can use the convenient lapdesk instead. You'll also enjoy the convenience of having a coffee maker and iron/ironing board in your room. In the bathroom you'll enjoy fluffy towels, a WaterPik showerhead and curved shower rod that allows more light and space in the shower. Please call the hotel for more details.
